12031 (e) states that peace officers may examine firearms carried in public, but ***only*** to determine if they are loaded. ***No further search*** of any kind is authorized without a warrant or legal probable cause. And legally carrying a firearm is ***not*** grounds for probable cause. Furthermore, citizens are not required to answer any police questions, for any reason, under any circumstances.

"Police, at all times, should maintain a relationship with the public that gives reality to the historic tradition that the police are the public and the public are the police; the police being only members of the public who are paid to give full-time attention to duties which are incumbent upon every citizen." - Sir Robert Peel
